

Climate Objectives

St Peter's Crosskeys CofE Academy

One year plan: Autumn 2024 – Autumn 2025

By December 2024	By April 2025	By July 24
<p>Sign up to Let's Go Zero. By joining this campaign, your school confirms that it is taking action now to reduce its own carbon impact, and that it demands the UK Government help all schools reach this goal by the end of the decade. Let's Go Zero</p> <p>Carbon Calculator: This free digital tool allows you to calculate the carbon footprint for your educational setting. Count Your carbon.</p> <p>Take part in Switch Off Fortnight – November 2024 Switch Off Fortnight 2024</p> <p>Monitor energy use on a regular basis as part of Ks2 Maths for example Energy Manager Live - Log In</p> <p>Embed the National Education Nature Park work into your curriculum (inset)</p> <p>Plant y6 leavers trees Free Tree Packs Application Form - Woodland Trust</p> <p>Add sustainability goals/ projects/ successes to school website</p> <p>Provide CPD opportunities for staff on sustainability</p> <p>Complete a curriculum audit for sustainability</p>	<p>Establish a culture of uniform reuse through Uniform Swap Shop, either a Pop-Up stall at community events or a permanent "Lion, Witch and Wardrobe" attraction as discussed during Let's Go Zero site visit.</p> <p>Pupils to "gift" their pre-loved uniform to the next year group -all new starters to receive a gift of pre-loved uniform from the outgoing reception pupils as discussed during Let's Go Zero site visit.</p> <p>Pro-veg school plates menu consultation plus School Plates awards ProVeg UK</p> <p>Curriculum map opportunities to educate on low carbon food choices</p> <p>Cycle to School Week happens in March. This week-long event encourages families to try cycling and scooting to school. It's a great way to celebrate the huge benefits an active school run brings, including the positive impact it has on children's health and wellbeing, local air quality, and on carbon emissions.</p>	<p>We are embedded as a flagship 'eco club' both in the dioses and the Trust.</p> <p>Children leave our school having planted their legacy tree in our woodland.</p> <p>We have reduced the amount of energy we use annually as a direct result of switch off fortnight.</p> <p>Curriculum maps have ben edited and enhanced across all year groups to embed the teaching and application of knowledge on climate change and impact.</p> <p>Real life experiences both in and out of school have improved and enhanced both the understanding of children and how they can pursue this understanding at home as well as school.</p>
