

Practise your times tables for a few minutes every week. This can be on paper, using items in your environment or on TT Rockstars. Use 'Garage' as we have practised in class. Check your progress on your heat map.

1. You could create a fact file about the importance of bees.

2. You could draw and label the key parts of a flower.

Read a little every day.

How do rivers behave?

Starling class

Summer 2

Each week you will get a different set of spellings to learn. Each week you could try and write your own super special sentence including as many of the spelling words as you can.

3, Can you write a short conversation between two characters and add inverted commas in the correct places?

4, You could write a short book review about your favourite book. Can you bring your review in and share it with the class?

When you have finished a project please bring in a picture of your outcome or writing you have completed to school show us we LOVE to see all of your awesome learning!
