

Practise your times tables for a few minutes every week. This can be on paper, using items in your environment or on TT Rockstars. Use 'Garage' as we have practised in class. Check your progress on your heat map.

1. You could create a fact file about this term's significant individual.

Mary Anning

2. You could research and draw an example of a fossil.

Read a little every day.

What is under our feet?

## Home Learning menu

### Starling class Summer 1

Each week you will get a different set of spellings to learn. Each week you could try and write your own super special sentence including as many of the spelling words as you can.

- 3, Can you create a piece of art using cut out shapes, in the style of Henri Matisse.

The Snail  
1953

- 4, You could write a short book review about your favourite book. Can you bring your review in and share it with the class?

When you have finished a project please bring in a picture of your outcome or writing you have completed to school show us we LOVE to see all of your awesome learning!
