

Climate Objectives

St Peter's Crosskeys CofE Academy

One year plan: Autumn 2026 – Autumn 2027

By December 2026	By April 2027	By July 27
Ensure that the school uses the principles and rationale set out by let's go zero and embed throughout all practice within school. Working closely alongside the whole school community. Carbon Calculator: This free digital tool allows you to calculate the carbon footprint for your educational setting. Count Your carbon. Take part in Switch Off Fortnight – November 2026 Monitor energy use on a regular basis as part of Ks2 Maths for example Energy Manager Live - Log In Apply for the 'tree packs' from woodland trust in September. Add sustainability goals/ projects/ successes to school website Provide CPD opportunities for staff on sustainability as part of regular CPD opportunities. Curriculum map opportunities to educate on low carbon food choices	Establish a culture of uniform reuse through Uniform Swap Shop, either a Pop-Up stall at community events or a permanent "Lion, Witch and Wardrobe" attraction as discussed during Let's Go Zero site visit. Pupils to "gift" their pre-loved uniform to the next year group -all new starters to receive a gift of pre-loved uniform from the outgoing reception pupils as discussed during Let's Go Zero site visit. Pro-veg school plates menu consultation plus School Plates awards ProVeg UK Complete a curriculum audit for sustainability We are embedded as a flagship 'eco club' both in the dioses and the Trust.	Walk to School Week happens in May. This week-long event encourages families to try walking to school the whole way even part of the journey. Celebrating children's health and wellbeing, local air quality, and on carbon emissions. Children leave our school having planted their legacy tree in our woodland. We have reduced the amount of energy we use annually as a direct result of switch off fortnight. Curriculum maps have been edited and enhanced across all year groups to embed the teaching and application of knowledge on climate change and impact. Real life experiences both in and out of school have improved and enhanced both the understanding of children and how they can pursue this understanding at home as well as school.
