

Our current value is...

Community

For our pupils

We instill community in our school through many different ways, including whole school and class worship. We continually develop the community ethos of our school with a clear focus being on how we all conduct ourselves contributes to what we create.

For our staff

Our staff work together to develop practice consistently. We link with other schools in our trust to further develop this good practice. Our governors are often in school working alongside teaching staff developing their knowledge of our school.

For whole school community

We are blessed that we are part of a wonderful village community. We are well supported by an active and committed PTA who work hard to bring our wider school community together as much as possible. We utilize the expertise of local people and invite volunteers in whenever we can.

Do not judge others
Matthew 7.1-5

Forgive others
Matthew 18.21-22

The good Samaritan
Luke 10.29-37

Jesus feeds 5000
people
John 6.1-13

Community

a group of people working in the same place and having a particular characteristic and vision in common.

Neighborhood, company, team

COMMUNITY

'LIVE IN HARMONY
WITH ONE ANOTHER.'

ROMANS 12.16
