

Our current value is...

Peace

For our pupils

Giving children time to find peace during their day is a crucial part of our curriculum. We end each worship with time to find peace and reflect on the message delivered we also use our prayer time before lunch time and at the end of the day as a moment for peace, calm and reflection. the morning or days learning.

For our staff

We endeavor to provide all of staff team opportunities to find peace in their day. Through well being trips as a staff team, mentoring sessions and developing spaces in our school including the staffroom to be peaceful where moments of reflection can

For whole school community

Giving opportunities for our whole school community to take part in our church worships are chances to take a moment and find peace in which ever way they find most comfortable. Our open door policy allows families to use our school as a place to find peace should they need this.
