

Whodunnit?

What happened to Mrs Smith's jewellery that day?
She was meant to wear it to watch a play.
She left it behind when she had got dressed,
All adorned in her Sunday best.

The Doctor, in his usual morose, glum way,
Was up in his study, beavering away.
He ambled upstairs to discover the theft,
And discovered the jewellery box; nothing was left!

Sir Crumpet in his garden outside,
Was pruning all his shrubs with pride.
He claimed to hear voices behind the house,
But assumed it was either a pheasant or grouse!

It's such a mystery, who stole the gold,
The police predict its already been sold.
The townsfolk and I really don't have a clue!
The important question here is: do you?
