Behaviour and Relationship Policy

St. Peter's Cross Keys Primary C of E Academy

Our Vision

'Rooted in love we flourish and grow'

'Jesus said that the kingdom of God is like a little mustard seed. This seed is very tiny at first but this is just the beginning of something. When this little seed is planted it grows into a huge tree, a tree so big that birds come and sit on its branches!'

Matthew 13: 31-33

Jesus teaches us that all good things must start with small beginnings.

At St. Peter's we believe that learning continues throughout life and that we should develop the skills that enable life-long learning to take place. We believe that all children should be inspired and enthused by the challenges we present to them, and feel secure and supported so that they can try new and difficult experiences. We believe that through our teaching, we equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their lives. Central to this is the commitment that inclusion for all children is at the heart our vision with the belief that removing barriers to participation and learning allows everyone to benefit fully from the educational opportunities we provide.

Our Mission

As a school, we have a strong focus on supporting children to develop an understanding of themselves, and crucially, an understanding of how they operate and develop as learners. All staff have a key role to play in nurturing self-esteem to support children in developing:

- A clear sense of belonging.
- Ambition for their future.
- The attributes of Critical Thinkers, Problems Solvers, Team Players and Resilient Learners.
- The knowledge and understanding to be a champion for change in our local community and to be a positive influence in the community and for themselves.
- Their personal, moral and spiritual development within a Christian framework

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

5.6 Off-site Unacceptable

- Taking part in any school-organised or school-related activity (e.g. school trips)

6. Serious Unacceptable Behaviour

6.1 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of SLT which is meaningful, but it may differ from the mainstream curriculum.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment
- Allow the disruptive pupil to regain calm in a safe space

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Long-term behaviour plans

- Weekly parental meetings

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the pupil in the accountability timetable.

6.2 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent unacceptable behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

7. Pupils with SEND

7.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of Unacceptable behaviour arises, we will consider them in relation to a pupil's SEND need, although we recognise that not every incident of Unacceptable behaviour will be connected to their SEND.

When dealing with Unacceptable behaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned. These may include:

- Regular brain breaks for pupils with SEND
- Use of Nurture provision and safe spaces for pupils who experience sensory overload
- Training for staff in areas of special educational needs

7.2 Adapting sanctions for pupils with SEND

When applying the behaviour policy for a pupil with SEND, the school will take into account:

- Was the pupil unable to understand the rule or instruction?
- Was the pupil unable to act differently at the time as a result of their SEND?
- Is the pupil likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

7.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

7.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

8. Supporting pupils

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

- Reintegration meetings
- Regular contact with the Key Stage lead/Headteacher
- A behaviour plan with personalised behaviour goals

9. Pupil transition

9.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

10. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The proper use of restraint
- The needs of the pupils at the school
- How SEND and mental health needs can impact behaviour

Behaviour management will also form part of continuing professional development.

11. Monitoring arrangements

11.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents logged on the online system CPOMS
- Attendance, permanent exclusions and suspensions
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors and other stakeholders (via surveys)
-

The data will be analysed from a variety of perspectives including:

- At school level
- By year group

➤ From staff and parents

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

11.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and governing board annually, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the governing board.
