

Spellings are given out in diaries on Monday and tested the following **Friday**.

Talk to someone at home about the spelling rule that you learned in your spelling lessons and use your strategies to learn your words, including writing them out lots of times.

Learning Menu
Autumn 1**

Reading

Aim to read a little every day. This will ensure that you are enjoying more books and building your reading experiences, speed, fluency and stamina.

Why not write a review of a book you have enjoyed and then share it with the class.

Times Tables

Regular practising of your times tables will continue to build speed, confidence and stamina. Use Garage on TT Rockstars to complete your heat map and Studio to track your developing fluency.

Hobbies/Interests

You could create a poster/information sheet about something you are really interested in (e.g. sport, craft, club) and tell others about it in class.

Wider Curriculum

Looking for more? Please see our half-termly Knowledge Organisers on our class page for key learning. This term, why not research one or more deserts. Can you create a fact file about them?
